

Atlis Privacy Policy

Original Draft: 2/5/2022

Last Updated: 19/8/2022

1. Personal data that we process.

Atlis processes personal data expressly because you make use of our services and/or because you provide these to us yourself, or by automated means. Below you will find a list on what data we process:

- Potential IP Addresses
- Account Information such as usernames, e-mails and passwords
- Real name if provided
- Account Data (perks, colors, customization, login data)
- Device specifications & Internet browser type
- Site activity
- Potential Analytics or moderation history

2. Sensitive personal data that we process.

Atlis processes the following sensitive personal data from you: Data of children under the age of 13. Atlis and its site and/ or services, do not intend to collect sensitive personal data from children under the age of 13, this is to abide by the COPPA Act & AVG Privacywet NL, unless the child in question has special permission from a parent or a legal guardian. However, we cannot verify or track whether a visitor is over 13. We therefore advise parents and guardians to supervise their underaged children, or to be involved in the online activities of their children in order to prevent any accidental data from being collected about them without parental permission.

If you believe your child, who is under the required age to make use of Atlis and its services, has visited the site and has been subject to getting their personal data processed, please contact us immediately.

3. How long we keep personal data.

Atlis will not store your personal details any longer than is strictly necessary for realizing the goals for which your details are collected. We use the following scheme below to address relevant storage times & other information.

All data is stored until the user no longer needs it, an example of when the data in question shall be removed as shown below:

- During the Termination of User Account or Post
- Cookies are stored for up to 7 days, before expiring and being cleared.

4. Sharing data with third parties.

Atlis may share your personal data with various third parties if this is necessary for the execution of the agreement, to ensure stability or the working of the site, or to comply with possible legal obligations. We do not sell your personal data to any third party. Your data may be collected automatically via third parties. The website may, from time to time, contain links to and from the websites of our partnered or associated networks and affiliates. If you follow a link to any of these websites, please note that these websites have their own privacy policies and that we do not accept any responsibility or liability for these policies.

4.2. Payment Handling

When submitting your payment information to Stripe, please note that Stripe has their own privacy policy and that we do not accept any responsibility or liability for these policies. Please check the privacy policy thereof before you submit any payment information to Stripe. <https://stripe.com/gb/privacy>

5. The purpose and on the basis of for which we process your personal data for.

Atlis processes your personal data for the following purposes:

- To offer you an opportunity of creating an account at Atlis
- Processing your payment - Deliver services or products to you
- To improve our services for you
- Inform you about site, product or service changes
- Sending our automated newsletter(s) and/or advertisements

Atlis also processes personal data when we are legally required to do so.

6. Cookies and similar technologies

Atlis makes use of functional, analytical and tracking cookies. A cookie is a small piece of text sent to the browser of your computer, phone or tablet, by a website you visit. Atlis makes use of these cookies to remember and collect necessary information and/or for pure technical functional use, these ensure the website works properly.

You can configure your browser in such a way so that it does not store any more cookies, if you wish to completely block cookies from your system and browser. You also have the option to remove or deny cookies each time when present on-site, but we cannot guarantee the stability and full functionality of the site if you wish to do so.

7. How your personal data is secured.

Atlis considers trust and safety its main motive, thus we take the protection of your data very serious and we try our best to prevent loss, abuse, unauthorized access, unwanted disclosure and unauthorized changes of this data. Please note that your data can never be completely safe, and we can not guarantee that your data will be completely secure. However, if you are under the impression that your details are not secure, or if there are indications of misuse, please contact us immediately.

Atlis has taken the following measures regarding the protection of your personal data:

- Agents specifically tasked to ensure the safety and trust of your account details and other personal data, never have access to these data in question, and will never ask for the data themselves
- Salts, hashes and proven encryption for sensitive details (bcrypt)
- Any form of authentication used by MongooseDB - Encrypted data backups

8. Policy Updates

Any changes made to this Privacy Policy shall be notified to you on-site or if applicable, via e-mail. You can also view the date of the latest changes made to this privacy policy by looking at the 'Last Updated' section of this privacy policy. Each time you visit the site or make use of its services, you agree to the current privacy policy at that time shall apply to all information held by you.

9. General Inquiries

If you have any other questions or concerns regarding this privacy policy, or any other inquiries in general, excluding support, you can mail us directly at admin@atlis.gg, response times varying 24-72 hours.
