

Atlis Privacy Policy

Last Updated: 03-06-2023

General inquiries, requests, and/or any other legal-related issue may be handled through electronically mailing us at hi@atlis.gg.

1. Processed personal data

Atlis processes personal data because you make use of our services and/or because you provide these to us yourself or by automated means. The data we process is, and certainly not limited to, the following:

- Potential IP addresses
- Account information (usernames, emails, display names, etc.)
- Account data (bonuses/perks, colors, login data, etc.)
- Device specifications and internet browser type
- Potential analytical data and moderative history
- Site activity

2. Sensitive personal data we process

Atlis **does not** process the data of children under the age of 13 nor do we intend to. This is to abide by the COPPA Act, unless the child has special permission provided from a parent or legal guardian. Notwithstanding this, we are unable to verify or track whether or not a visitor is over the age of thirteen (13). Consequently, parents and guardians are advised to supervise their underaged children or to be involved in the online activities of their children in order to prevent accidental data being collected about them without parental permission.

If you believe your child, who is under the age of thirteen (13), is making use of Atlis and/or it's services or has visited the site and has been subject to their personal data being processed, please contact us immediately.

3. Expiration of personal data storage

Atlis will not store your personal details any longer than is strictly necessary for accomplishing the goals for which your details are collected. We use the following scheme below to address relevant storage times and other information.

All data is stored until the user no longer requires it, such as the following below, which is not limited to anything and is only for demonstrational purposes:

- The termination of a User account, Thread, or Reply
- Cookies expiring and clearing after seven (7) days
- JSON Web Tokens (JWTs) being cleared after a certain amount of time for email verification

4. Data sharing with third-parties

Atlis may be subject to sharing your personal data with various third parties if it is deemed necessary for the execution of the agreement, to ensure the stability of the site and its services, or to comply with possible legal obligations. No personal data is sold to any third parties. Your data may be collected automatically through third parties.

The site may contain links to and from the websites of our partnered or associated networks and affiliates. If you follow a link to any of these websites, please note that these websites have their own privacy policies and that **we do not accept any responsibility or liability for these policies.**

4.1 Payment Handling

When submitting your payment information to Stripe – the service used to process payments, please notice that Stripe has their own privacy policy and that we do not accept any responsibility or liability for these policies. To view Stripe's privacy policy, which you should check before submitting any payment information to Stripe, review as such here: <https://stripe.com/gb/privacy>

5. Purpose and basis of processing your personal data

Atlis processes your personal data for the following purposes:

- Account creation
- Processing payments
- Delivery of products or services
- Automated newsletter(s) and/or advertisements
- Improvement of our services
- Product or services changes
- Site information

Atlis also processes personal data when legally obliged to do so.

6. Cookies and similar technologies

Atlis makes use of functional, analytical, and tracking cookies. A cookie is a small piece of data sent to the browser being used by a website you visit. Atlis makes use of these cookies to remember and collect necessary information and/or for pure technical functional use, these ensure the site works properly.

You can configure your browser in such a way so that it does not store cookies from Atlis, if you wish to completely block cookies from your system or browser provided from Atlis. You also have the option to remove or deny cookies each time when present on-site, but we cannot guarantee the stability and full functionality of the site if you decide to do as such.

7. Security of personal data

Atlis considers trust and safety as one of its main motives. Thus, we take the protection of your data earnestly, attempting with our best effort to prevent data loss, abuse, unauthorized access, unwanted disclosure, and unauthorized changes of this data. Please notice that your data can never be completely secure, and we cannot guarantee that your data will remain unharmed or untouched. If you are under the impression, however, that your data are insecure, or if there are indications of misuse, please contact us immediately.

Atlis has taken the following measures regarding to the protection of your personal data, however of which is not limited to:

- Agents specifically tasked to ensure the safety and trust of your account details and other personal data, never have access to this data in question, and will never ask for the data themselves
- Salts, hashes, and proven encryption for sensitive details – using bcrypt amongst other technologies
- Any form of authentication used by MongoDB
- Encrypted data backups

8. Privacy policy changes

Any changes or updates made to this Privacy Policy shall be notified to you on-site or, if applicable, via electronic mail. Among these, you can view the date of the latest changes made to this Privacy Policy by looking at the “Last Updated” section, located at the top of this document. Each time you visit the site or make use of its services, you agree to the current Privacy Policy at that time shall apply to all information held by you.
